ATTENDANCE

The expectation is that schools maintain an attendance level of at least 97%. This is the measure that schools are subject to during both local and national inspections. Figures below that level will be heavily criticized. We appreciate your support with this. It is also a legal requirement for children to attend school regularly. **Please ensure that children are in school and on time every day and please avoid term time holidays. Please refer to the NHS guidance [here](#) when determining whether or not to keep your child off school.**

BUYING AND SELLING ON THE PLAYGROUND

We have noticed that some of the older children are bringing in things to sell on the playground.

Please can you make sure that your child is bringing their bookbags to school with only the following inside:

Their reading record, school reading book/s, a snack and their packed lunch (if required), *Young Voices lyrics sheet if applicable.*

Wraparound Care will only be running until 4.30pm on the 24th October.
