

# Scotton Lingerfield Primary School

## Geography Long term plan KS1 and KS2

Updated September 2024

Year A				
	EYFS	Year1/2	Year 3/4	Year 5/6
Aut 1	Who are the people that help us?			
Aut 2		What do I know about where I live?	What are the unique features of the UK?	What are the main features of South America?
Spr 1	What are the differences between our country and other countries? Cold environments			
Spr 2		Why do we recycle?	How are mountains formed and what causes an earthquake, tsunami or volcano?	Why is climate change such an important topic?
Sum 1	Our local area – maps			
Sum 2	What are the differences between our country and other countries? Hot environments	Why do we like to be beside the seaside?	How do we energise our homes and country?	What is 'Fairtrade' and why should it matter to us?

Year B				
	EYFS	Year 1/2	Year 3/4	Year 5/6
Aut 1	Who are the people that help us?			
Aut 2		How different would my life be if I lived in Kenya?	What are biomes and how are they created?	How do maps help us to find our way around?
Spr 1	What are the differences between our country and other countries? Cold environments			
Spr 2		Why are some places in the world always hot and others always cold?	How are rivers formed?	How and why have settlements changed?
Sum 1	Our local area – maps			
Sum 2	What are the differences between our country and other countries? Hot environments	What goes on at an airport and a train station?	Why do so many British people choose to go to the Mediterranean for their holiday?	Why has Britain been an attractive place to live for many who were not born there?
