## Safeguarding: Moving for Mental Health

Doing physical exercise is an excellent way to boost children's mental health and wellbeing. The Mental Health Foundation has plenty of ideas to help you move more, even in the smallest of ways. Click [here](#) for more information.

## Planet Protectors – 30 Days Wild

30 Days Wild is The Wildlife Trusts' annual challenge event, where everyone involved does one wild thing a day throughout the month of June. For inspiration, please refer to the wild idea cards attached. We will be taking part once we are back in school after half term but if you would like to sign up yourself, click [here](#) for more info.

## Weekly Attendance Figures

[Reception – 91.67%](#)

[Class 1 – 95.17%](#)

[Class 2 – 92.92%](#)

[Class 3 – 93.91%](#)

**Well done to Class 1 who achieved the highest attendance this week!** The expectation is that schools maintain an attendance level of **at least 97%**. This is the measure that schools are subject to during both local and national inspections. Figures below that level will be heavily criticized. We appreciate your support with this. It is also a legal requirement for children to attend school regularly. Please ensure that children are in school and on time every day and please avoid term time holidays. We are aware that there are lots of illnesses going around at the moment, please refer to the NHS guidance [here](#) when determining whether or not to keep your child off school.

Over 97%

90 – 97%

Under 90%

## DID YOU KNOW?

Whilst 95% attendance doesn't sound too bad, across a year it means your child would have missed 9 days of school, or 45 lessons. Over 7 years of primary school, 95% attendance each year would add up to 12.5 weeks or 3 months or one whole term of missed school.
