ATTENDANCE

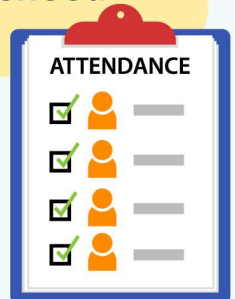

The expectation is that schools maintain an attendance level of at least 97%. This is the measure that schools are subject to during both local and national inspections. Figures below that level will be heavily criticized. We appreciate your support with this. It is also a legal requirement for children to attend school regularly. **Please ensure that children are in school and on time every day and please avoid term time holidays. Please refer to the NHS guidance [here](#) when determining whether or not to keep your child off school.**

UNDER 90% | Class 1 86.83%

90-97% | Class 3 94.91%

OVER 97% | Class 2 100% Reception 100%

FOREST SCHOOL KIT- WINTER

As the weather is turning, we would like to remind families to ensure that children have appropriate clothing and footwear for forest schools. A large amount of time was spent yesterday contacting parents of children who didn't have coats, wellies, waterproofs etc.

Unless there are high winds, which makes the woodland unsafe, forest school sessions will go ahead. If children don't have appropriate clothing for the weather conditions, they will be unable to take part in the session. Please pack wellies and waterproof trousers and jacket, and hats and gloves for colder days.

Reception and Class 2 children this half term.

HEALTHY SCHOOLS

Last week, we shared some information about the healthy schools award that we are working towards. Our current focus is based around healthy eating. In the UK, statistics show that 22% of Reception children are overweight or living with obesity. This rises to 34% for children in Year 6. The National Child Measurement programme has shown that over the past six years, the average figures for our school are statistically similar to the national data.

To ensure the food and drink available across the school day reinforces the healthy lifestyle message

- Each child is asked to bring a water bottle to enable children to freely access drinking water at all times in and out of the classroom.
- Children under 5 years old receive free milk daily. Older pupils can access milk each day if parents/carers subscribe via Cool milk.
- Children in KS1 and the Foundation Stage have fruit available during morning break time and all are encouraged to have some each day.
- Children in KS2 can bring a piece of fruit or chopped vegetables for a snack.
- School meals are provided by NYC and follow a healthy food policy.
- The school operates a no sweets/crisps/chocolate policy, for packed lunches, break times and discourages the sharing of sweets for children's birthdays.
- Lunch boxes will be checked to ensure enough food has been eaten.
- **Scotton Lingerfield Primary School is a nut free school which is strictly enforced due to an increasing number of pupils with nut allergies.**

SLS SPORTS

Well done to all our students who took part in our first sporting festival of the new school year.

Children from Class 2 and Class 3 took part in the Football Festival in Boroughbridge on Wednesday.

Class 3 reached the final and won the Festival!
